

**INTRODUCE YOUR FAMILY TO OUR
ELEWANA EDUCATION PROJECT SPONSOR CHILD: BRIAN ONGESA**

Thank you for taking an interest in our Sunday School international outreach project to help provide an education for a child through the Elewana Education Project. We have close connections with Fr. Zach, and we hope to forge a wonderful relationship with our chosen sponsored child, Brian Ongesa.

By the middle of September, we aim to send a book to Brian telling him about all the children in Sunday School who are helping to support his education. On the next page you will find a form you can use to introduce your child and family to Brian. We will compile all these pages into a book and add photos of our church and Sunday School.

HOW TO USE THE FORM

- 1. You have a choice to download either the pdf or word document from the church website. The word document will allow you to change the layout if your child wants to add something different. The questions are just a suggestion of what you could tell Brian in response to the information he gave us.**
- 2. Before you print the form, if possible please import a photo and print it on the paper. This will help us to keep the weight of the book down rather than gluing photos into it.**
- 3. If you need me to print the form with your photo on it, please email me a photo at lucy@stmattswv.com**
- 4. If your child can write, please let them complete the form. It is important that they get involved and do the work. If your child cannot write yet, let them dictate their responses to you.**
- 5. Your child can draw or add further information on the back if they wish. You may also print more photos on the back if you wish. Remember to leave a 1.5" margin on the right for the page to be bound in the book.**
- 6. If you have any questions, please contact me.**
- 7. Please return the completed forms by Sunday September 17th at the latest.**

Thank you again for participating. Please encourage your children to add a few cents or a dollar to the collection plate each time they attend Sunday School. We need to raise \$500 each year to continue our sponsorship.
