 In the event all of the equipment listed on this form is not returned for any reason, I have authorized Winterplace Ski Resort to charge the credit card I used on the Security Deposit section of the equipment rental agreement, the following authorized amounts:  
 Skis: \$400.00 Snowboard: \$400.00 Performance Skis: \$1000.00 Bibs: \$50.00 Boots: \$150.00 Poles: \$25.00 Helmets: \$75.00

**PLEASE READ**  
**EQUIPMENT RENTAL & LIABILITY RELEASE AGREEMENT**

I accept for use **AS IS** the equipment listed on this form, and accept full financial responsibility for the care of the equipment while it is in my possession. I will be responsible for the replacement at full value of any equipment rented under this form, but not returned to the rental facility. I agree to return all rental equipment by the agreed date.

**I understand that the binding system cannot guarantee the user's safety.** In downhill skiing, the binding system will not release at all times or under all circumstances where release may prevent injury or death, nor is it possible to predict every situation in which it will release. In snowboarding, and other sports utilizing equipment with non-release bindings, the binding system will not ordinarily release during use; these bindings are not designed to release as a result of forces generated during ordinary operation.

I understand that the sports of skiing, snowboarding, and other sports (collectively "RECREATIONAL SNOW SPORTS") involve inherent and other risks of **INJURY** and **DEATH**. **I voluntarily agree to expressly assume all risks of injury or death** that may result from these RECREATIONAL SNOW SPORTS, or which relate in any way to the use of this equipment.

I understand that a helmet designed for RECREATIONAL SNOW SPORTS use may help reduce the risk of some types of injuries to the user at slower speeds. I recognize that serious injury or death can result from both low and high energy impacts, even when helmet is worn.

**I AGREE TO RELEASE AND HOLD HARMLESS** New Winterplace Limited Liability Company, New Winterplace Inc., and their affiliates, members, shareholders, directors, officers, employees, agents, and the equipment manufacturers and distributors and their successors in interest (collectively "PROVIDERS"), from all liability for injury, death, property loss and damage which results from the equipment user's participation in the RECREATIONAL SNOW SPORTS for which the equipment is provided, or which is related in any way to the use of this equipment, including all liability which results from the NEGLIGENCE of PROVIDERS, or any other person or cause.

I further agree to defend and indemnify PROVIDERS for any loss or damage, including any that results from claims or lawsuits for personal injury, death, and property loss and damage related in any way to the use of this equipment.

This agreement is governed by the applicable law of this state. If any provision of this agreement is determined to be unenforceable, all other provisions shall be given full force and effect.

**What type of skier are you?**  
**Determining your SKIER TYPE is your responsibility!** Your skier type, height, weight, age, and ski boot sole length are used by the shop to determine the visual indicator settings of your ski bindings. Be sure to provide accurate information, as any error may increase your risk of injury. Consult these descriptions to select your classification:

**TYPE 1 "Cautious skiing at LOWER visual indicator settings"**

- Prefer slow to moderate speeds.
- Prefer gentle to moderate terrain.
- Receive lower than average visual indicator settings. This may increase the risk of inadvertent binding release in order to increase the likelihood of release in a fall.
- Type 1 settings apply to "entry-level skiers uncertain of their classification".

**TYPE 2 "Moderate skiing at AVERAGE visual indicator settings"**

- Prefer a variety of speeds.
- Prefer a varied terrain.
- Type 2 skiers are skiers who do not meet all the descriptions of Type 1 or Type 3 skier types.

**TYPE 3 "Aggressive skiing at HIGHER visual indicator settings"**

- Prefer fast speeds.
- Prefer steep terrain.
- Receive higher than average visual indicator settings. This may reduce the likelihood of release in a fall in order to decrease the risk of inadvertent binding release.

**Once you determine what type of skier you are, indicate it on the front page of this agreement in the Indicate Skier Type section.**

If from experience, you have been dissatisfied with visual indicator settings resulting from your selected skier type classification, you may wish to consider: (a) changing your skier type classification; (b) selecting different skier type classifications for toe and heel components; (c) selecting skier Types -1 ("for skiers who desire visual indicator settings lower than settings for a type 1 skier") or 3+ ("for skiers who desire visual indicator settings higher than settings for a Type 3 skier"). These descriptions are compatible with ASTM and ISO Documents.

**YOUR RESPONSIBILITY CODE**

1. Always stay in control.
2. People ahead of you have the right of way.
3. Stop in a safe place for you and others.
4. Whenever starting downhill or merging, look uphill and yield.
5. Use devices to help prevent runaway equipment.
6. Observe signs and warnings, and keep off closed trails.
7. Know how to use the lifts safely.

Be safety conscious and know the code.  
**IT'S YOUR RESPONSIBILITY.**

**I have read and agree to the terms of this agreement and have signed on the front of this form.**

**Toll Free 1-800-607-SNOW (7669) or visit us on the web: [winterplace.com](http://winterplace.com)**

## **There Are Lots Of Reasons Why You Will Love Winterplace! The Place Where Winter Is Fun For Everyone!**

**Central Reservation Service; One Toll Free Call To 1-800-607-SNOW (7669) Does It All, and mention your special group code as shown at the top of the first page of your letter!**

We can take care of all your group's needs from lodging to lift tickets! Just make one call and we will take care of all your group's skiing needs including lodging at one of the area's fine lodging facilities, lift tickets, rental equipment, lessons, snowtubing and meal vouchers! Don't forget to ask the Central Reservationist about all of the fantastic lodging at our sister resort The Resort at Glade Springs! **We want to help you reserve the lodging dates of your choice. Lodging is filling up very quickly – so call us now and we will take care of all your needs from lodging to lift tickets!**

### **28 Trails And A Terrain Park!**

We have something for everyone! New skiers really appreciate our gentle beginner slopes which are designed to help you gain confidence on your skis and avid skiers love our black diamonds! Boarders can surf some snow in the Terrain Park -- with fun and exciting new features!

### **9 Lifts that Take You to the Top FAST!**

2 Quad (4 person) chairlifts, 3 triple chairlifts, 2 double chairlifts and 2 *Super Carpet*<sup>TM</sup> lifts get you where you are going fast!

### **The Largest Snowtubing Park in West Virginia! 14 Lanes and 2 *Super Carpet*<sup>TM</sup> Lifts!**

It's a great new adventure for skiers and a perfect alternative for the non-skiers! So what's a Snowtubing Park? It's the hill you dreamed about as a kid - - perfect for riding tubes with two *Super Carpet*<sup>TM</sup> lifts that whisk you and your tube back up the mountain for another exciting ride down one of fourteen lanes! We provide the tubes and the ride to the top, you provide the laughs and smiles!

### **Highest Snowmaking Capacity Per Acre in the Southeast with 100% Slope Coverage Capability!**

The highest snowmaking capacity per acre in the Southeast, plus 100% snowmaking capability on every trail explains why Winterplace has tons and tons of snow when there's none in your back yard!

### **Ski on High Quality Rental Equipment!**

Our choice is top-of-the-line ski equipment including Rossignol skis, Salomon boots and bindings, and Rossignol snowboards! And this year, we've added even more top of the line Rossignol skis and snowboards to our rental fleet!

### **Ski Free at Night! (Enjoy the Longest Skiing Day in the Southeast!)**

We throw in FREE night skiing with the purchase of a regular, full day lift ticket. With FREE night skiing, you don't have to worry about strict arrival and departure times. Ski from 9am on weekdays and 8am on weekends and holidays, until 10pm every night! That gives you a 13 or 14 hour skiing marathon!

### **Two Minutes off I-77!**

Spend your time on our slopes. Not getting here! We are just two minutes off I-77 at Exit 28 (Flat Top/Ghent Exit). Winterplace is located between Bluefield and Beckley, West Virginia.

## **Tips for Your First Day**

Take a lesson!!! Like anything, you'll improve the most when you receive some guidance. The best way to become a good skier or snowboarder is to take a lesson from one of our professional instructors. You'll safely learn more in a 90 minute lesson than you will all day on your own.

- Obtain proper equipment. Be sure to have your ski or snowboard bindings adjusted correctly. You can rent quality ski or snowboarding equipment at Winterplace.
- Dress in layers. Layering allows you to accommodate your body's constantly changing temperature. For example, dress in polypropylene underwear (top and bottoms), which feels good next to the skin, dries quickly, absorbs sweat and keeps you warm. Wear a turtleneck, sweater and jacket.
- Be prepared. Mother Nature has a mind of her own. Bring a headband or hat with you to the slopes, 60 percent of heat-loss is through the head. Wear gloves or mittens (mittens are usually better for those susceptible to cold hands).
- Know your limits. Learn to ski and snowboard in control.
- If you're tired, stop skiing. Stop before you become fatigued. Injuries usually result from fatigue. Have a seat and enjoy the people around you. Most of all, have fun!

## **WHAT TO BRING**

Here is our list of recommended items for you to bring skiing or snowboarding in order to guarantee a fun first day on the slopes. If you are in need of anything on this list when you get here, everything on this list is available in our store.

- Hat - if your head is warm the rest of you is likely to stay warm.
- Water proof Gloves/Mittens - mittens are warmest.
- Warm, dry socks - No cotton. Wear only one pair of socks. Ski boots should have a snug fit.
- Goggles/Sunglasses - Goggles are strongly recommended on cold or snowy days for warmth and increased visibility.
- Jacket/Parka (water resistant)
- Synthetic or wool base layers for top & bottom - it's better to be warm than cold, you can always shed layers. Synthetic materials help to wisk moisture away from your skin. Once again, do not wear cotton as a base layer.
- Snow/Water resistant pants - very important, your 1st day will acquaint your butt to the snow, keep it warm & dry.
- Sunscreen - SPF 15 or higher
- Lip Balm
- Snack, Fruit, Energy Bar
- Trail Map - available for free in the lodge.
- ID, Wallet, Cash
- Extra Clothes, Shoes - to change into when you're all done, in order to go out and celebrate your 1st day.
- Equipment - If you are not renting: either skis, poles and boots; or snowboard and snowboard specific boot.
